in such a manner that the former governs the latter in genitive case.

NOTES

1. The preposition will be written first, then the prepositional phrase.

2. The prepositional phrase will end with the pronoun.

3. The article will be written with the pronoun in Arabic.

4. The possessive can be written with the possessive pronoun. In that case, the possessive pronoun follows the noun in Arabic.
Write any 10 meaningful sentences of possessive compound with translation.

1. Door of the house is closed.
2. Toys of Saad are new.
3. Buildings of villages are old.
4. Playground of the school is big.
5. Garden of the richest beautiful.
6. Army of my country is strong.
7. Manager of the office is rich.
8. Teachers of the school are hardworking.
9. Book of Fatima is clean.
10. Friends of Taher are hardworking.

5. Alphabet of dual and of plural will be dropped because of exception.
